

**Moscow High School  
Class of 2020  
"Safe and Sober" Graduation  
Party**

The Moscow High School Senior Class Party Committee would like to begin by thanking everyone who so generously contributed to this event in the past. Your continued support is needed to carry on this memorable tradition for our graduates.

For over 40 years, the Senior Class Party Committee has organized a fun and safe place for the graduates to gather one last time to celebrate their accomplishments. This all-night event allows our graduates the opportunity to have one last night of fun with good friends in a safe, alcohol and drug-free environment. This year's event will take place on June 5, 2020 at the University of Idaho Student Recreation Center, and with your help, we hope to make it as successful as years past.

We are requesting assistance with this event from businesses and community members throughout the area in the form of tax-deductible donations of funds, goods and/or services. Donations will be used to support all aspects of the event, from renting space to providing games and prizes. We are also seeking donations of food and beverages to feed more than 160 hungry graduates. We are asking you specifically for free passes, gift certificates, merchandise and/or a monetary donation of any size. As a donor, your name will be prominently displayed at the party and also acknowledged in local media.

Attached to this request is a donation response form; we ask that you complete and return it to the address listed below or by email to [donations@moscowseniorparty.com](mailto:donations@moscowseniorparty.com). If you would like to have an item picked up please contact the chair listed below to make arrangements or you can indicate on the enclosed donation form that you would like to be contacted by us. Please note that if you want to make a credit card donation via PayPal, visit the [moscowseniorparty.com](http://moscowseniorparty.com) website.

Every donation counts; please consider supporting us in this important event. Without your generous contributions, this event would not be possible. On behalf of the Moscow High School Class of 2020 and their parents, we thank you for your continued support.
